

Cone

Showerhead

6874-AH-80CP

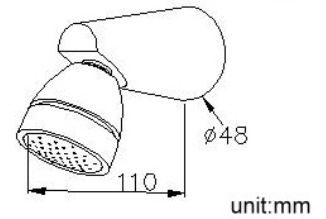

INTRODUCTION:

The conical shower head is small and exquisite, eliminating the visual oppression of large showers and improving the environmental quality and aesthetics. The high-density water outlet design allows the small shower head to provide a stable and abundant water flow.

DESCRIPTION:

1. With R 1/2 to water supply wall outlet.
2. Brass with Chrome plated meets ASTM-SC2 standard.
3. Spout material meets JIS C2700 Standard.

Certification:

Fixing Kits:

1. N/A

AWARD:
