

Thermostatic Shower Mixer
6875-JT-80CP

INTRODUCTION:

YES series is designed with brief lines and geometric cylinder to simplify the outer shape and present the absolute image.

The YES 2 series is developed with more strict standards than the YES series to examine the consistency of products and design concepts. Concealed waterway module replaces traditional elbow high-pressure pipes and other structures, greatly reducing the appearance of seams and plastic gaskets, etc., to achieve a simpler and cleaner appearance.

DESCRIPTION:

- 1.Brass material of body meets JIS 3771 standard.
- 2.Safety control button stops at 40°C water temperature.
- 3.Water flow rate is controlled by cartridge.
- 4.With replaceable check valve both behind hot and cold water 1/2" inlet.
- 5.Chrome plated finish meets the standard of ASTM-SC2.
- 6.Material of inner valve is Lead-Free Brass C46400.
- 7.Coordinates with other products in Yes 2 collection.

unit: mm[inch]
