

## Basin Faucet 6904-90-80CP

### INTRODUCTION:

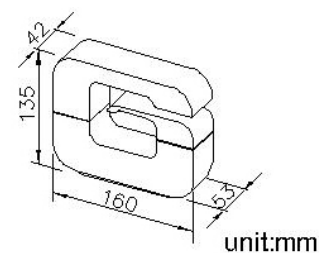

The special shape is like the letter "G," and it does not only mean "G" for DRAGON also mean "G" for GOOD. DRAGON Series is the symbol of a high quality artistic work. This brand-new design concept is different from the traditional style, therefore, it is perceived that JUSTIME insists on upgrading in each passing day to provide clients the best shower time.

Both of the outlet and handle can be revolved for changing the shape as what the user requires, so that sometimes it is a crouching dragon and others it will prepare to soar in the sky any time. The strong body provides the safe protect and shows the power of stabilizing the spirit.

### DESCRIPTION:

1. Swiveling spout has passed up to 50,000 turns test.
2. Water flow rate is controlled by swiveling the spout: The maximum water flow is when the spout being turned to 90° clockwise and the flow will become smaller when the spout being swung 25° both sides.
