

Two-Handle Basin Faucet 6922-91-81CP

INTRODUCTION:

Oval shape with raised cambered surface is major design of Charming Basin Faucet Collection; it's just like delicate jewel and brings graceful atmosphere for space. Faucets not only decrease the interstice between lever and body by unique inner structure, but also integrates escutcheon with body in one unity. This creative design makes Charming Faucet exclude unnecessary lines for cleaning conveniently.
